

(21st April, 2017)

Draft Agenda

Global Insights Programme

Dialogue between International HE Leaders

American Higher Education Responding to a Changing Context: Trump, Technology, Temperance and Teaching & Learning

Washington DC and Philadelphia, Pennsylvania, USA

Sunday, October 1st, – Thursday, October 5th, 2017

Programme Leaders:

Dr Tom Kenzie, Ranmore and Dr Peter Eckel, PENN AHEAD

Key topics to be explored include;

- The ***nature of leadership, management & governance*** in a changing US higher education context;
- The ***evolving policy landscape*** for higher education under President Trump's administration;
- The ***role of representative bodies*** as they seek to encourage collaboration between and advocate on behalf of their members in an uncertain policy environment
- The approaches being deployed by different types of universities and colleges as they introduce ***new technologies, learning analytics, on-line and blended learning, student support and faculty support, and quality assurance***; and
- The similarities and differences in the ***challenges facing HE leaders*** in the US compared with other parts of the world.
